SAXDOR 270 GTO

TRUE PERFORMER

EXCELLENT DRIVABILITY AND PERFORMANCE.

The Saxdor 270 GTO, designed with Saxdor's signature light, soft-riding twin-stepped hull, delivers the speed, performance, and fuel efficiency for which earlier models are renowned.

The 270 GTO is the ultimate choice for sun lovers. With twin sunbeds - one in the front and one in the aft — you'll have more than enough room under the sun to kick back and relax whenever needed. Once you're done, the aft sunbed can be put back together and serve you as a dining settee.

Designed with a distinctive twin step hull and sharp 20-degree deadrise angle, the Saxdor 270 GTO promises an efficient and nimble performance on the water, making it a standout in its class. This design is integral to the boat's exceptional maneuverability and contributes to its ability to cut through the water with minimal resistance.

Saxdor 270 GTO is the winner of prestigious Motorboat & Yachting Award 2024 in the "Sportboats up to 30 ft" category.

ZEN 40 - MODEL 2024

The Zen 40 Rib Model 2024 is a high-performance luxury rigid inflatable boat that combines sleek design, cutting-edge engineering, and top-tier comfort. Its lightweight carbon fiber hull and durable, high-performance inflatable tubes ensure smooth, stable rides even in rough seas.

With twin or triple outboard engines offering up to 600 horsepower, the Zen 40 can reach speeds of over 60 knots, making it ideal for thrill-seekers and quick travel between destinations.

The boat's spacious deck features luxurious seating, sunbeds, and a well-equipped helm station with advanced navigation systems. It offers versatile functionality for watersports, leisure cruising, or even as a tender for superyachts.

Safety is prioritized with a stable hull design, high-tech navigation lights, and optional systems like collision avoidance. The Zen 40 Rib is perfect for those seeking a stylish, powerful, and comfortable boating experience on the water.

ATLANTIC YACHT

FAIRLINE TARGA 52

The Fairline Targa 52 is a luxury motor yacht manufactured by Fairline Yachts, a British boatbuilder known for producing high-quality vessels. The Targa 52 is part of the Targa series, which is characterized by its sleek design, performance capabilities, and luxurious features.

The Targa 52 features a sporty and contemporary design with sweeping lines and a distinctive profile. It has a deep-V hull design, offering excellent stability and handling in various sea conditions.

The overall length of the Targa 52 is approximately 16.2 meters (53 feet), making it a spacious yacht suitable for both short cruises and longer journeys. It typically accommodates up to 6-8 guests, with several cabins available for overnight stays.

The Targa 52 is powered by twin diesel engines, which provide strong performance and efficient cruising speeds. The specific engine options may vary depending on the model year and customization choices.
